

# e-STUDIO202s

- Sleek & compact design
- Accelerated speed of 15 ppm
- Greater paper storage capacity

### General Function

|                       |            |
|-----------------------|------------|
| Memory (Max.)         | 64 MB RAM  |
| Paper Capacity (Max.) | 550 Sheets |
| Warm Up Time          | 30 secs    |

### Printing Function

|                      |                   |
|----------------------|-------------------|
| PDL                  | GDI               |
| Print Speed (A4)     | 15 ppm            |
| Resolution           | 600 x 600 dpi     |
| Interface            | USB 2.0           |
| Major Print Features | N-up<br>Watermark |

### Copying Function

|                          |                           |
|--------------------------|---------------------------|
| Copy Speed (A4)          | 20 cpm                    |
| Scan Speed for Copy (A4) | 13 spm                    |
| Resolution               | 600 x 600 dpi             |
| First Copy Time          | 8.0 secs                  |
| Major Copy Features      | Electronic Sort<br>2-in-1 |

### Scanning Function

|                     |  |
|---------------------|--|
| Scan Speed (A4)     | 2.88 mm per line                           |
| Resolution          | 600 x 1200 dpi                             |
| Scan Mode           | Color/Grayscale/B&W                        |
| Major Scan Features | Drag & Drop Selection<br>Image Compression |

### Solutions

|                   |                          |
|-------------------|--------------------------|
| Types of Solution | Desktop Document Manager |
|-------------------|--------------------------|
